

গড়গাঁও মহাবিদ্যালয়
GARGAON COLLEGE

Two-Day Online Workshop
on
“GIS (INTRODUCTION, SCOPE
and CAREER
OPPORTUNITIES)”

16th & 17th August, 2023

Organized by

Department of Geology, Gargaon College
and

GRED Foundation, Guwahati

in collaboration with

IQAC, Gargaon College

Overview of the programme

Name of the Program: Two-Day Online Workshop on “GIS (INTRODUCTION, SCOPE and CAREER OPPORTUNITIES)”

Related to: Remote sensing and GIS

Date: 16.08.2023 and 17.08.2023

Organized by: Department of Geology, Gargaon College

Resource person: Mr. Joydeep Ghosh, GRed Foundation

Number of Participants: 107

Objective of the Program: To understand and nurture the practical knowledge about Remote sensing, GIS software and career opportunities

Rationality of the programme

Now a days, GIS is rapidly growing field and very much useful in Geology as well in Geography and so on. This can be used to analyze spatial data, create maps, different models of the earth's system. Moreover, This field is now a days becoming increasingly important in various job markets or various industries and organizations seeking GIS professionals.

In this context, this two-day workshop on GIS would help all the participants with basic skill and knowledge and to get a fundamental idea about the idea of the emerging field of GIS and its applications in Remote sensing.

গড়গাঁও মহাবিদ্যালয়
GARGAON COLLEGE
NAAC accredited with 'B' Grade

16-17 August, 2023
3 PM onwards

Workshop on GIS
INTRODUCTION, SCOPE and
CAREER OPPORTUNITIES

Speaker: Mr. Joydeep Ghosh, Co-Founder and Academic Director, GRed Foundation

Organised by

Department of Geology, Gargaon College & **GRed Foundation**

Programme Coordinators:
Mrs. Bonika Buragohain
Dr. Chirantan Bhagwati
Dr. Dipankar Buragohain
Assistant Professor, Deptt. of Geology

Inauguration: 2:50 PM
Dr. Sabyasachi Mahanta
Principal
Gargaon College

Welcome speech: 2:55 PM
Dr. Chandraditya Gogoi
HOD
Gargaon College

In collaboration with IQAC, Gargaon College

Dear Sir/Ma'am,

I hope this email finds you well.

My name is Chiranjeeb Konwar and I am the Chief Operating Officer at the Geospatial Research and Education Foundation(**GRED Foundation**).
GRED Foundation is a non-profit organization that supports the advancement of education in the domain of GIS. We at GRED have been promoting GIS in north-east India and also providing services to various organizations

We are writing to you today to propose a two-day webinar on GIS (Geographic Information Systems) for your department. GIS is a rapidly growing field with a wide range of applications in geology. It can be used to analyze spatial data, create maps, and model the Earth's systems. GIS is also becoming increasingly important in the job market, with many companies and organizations seeking GIS professionals.

We believe that a two-day webinar on GIS would be a valuable resource for your students and faculty. The webinar would cover the following topics:

- Introduction to GIS
- The scope of GIS
- GIS Career Opportunities
- Making a Map layout

We believe that a two-day webinar on GIS would be a valuable addition to your department's curriculum. It would provide students with the skills and knowledge they need to succeed in the field of geology, and it would help them prepare for a career in GIS.

We would be grateful for the opportunity to discuss this proposal with you further.
Please do not hesitate to contact me if you have any queries.

Thank you for your time and consideration.

Sincerely,

Chiranjeeb Konwar
Chief Operating Officer, Academic Counsellor
Geospatial Research and Education Foundation

Hello Chiranjeeb,

Thank you for your mail. We are accepting your proposal and you are kindly requested to go for the further process.

The schedule timings are as follows:

16th August, 2023:

Inauguration at 2:53PM. You are kindly requested to start the main workshop from 3:00 pm

17th August : 3:00 pm onwards

Thanking you,

Regards,
Dr Dipankar Buragohain
Assistant Professor
Department of Geology
(For HOD)

E-mails for Collaboration

Subject: Application for the permission for organizing online workshop on GIS (Geographic Information System)

Respected Sir,

With reference to the subject cited above, this is to inform you that Department of Geology, Gargaon College and IQAC, Gargaon College, organizing an online workshop on GIS (Geographic Information System) for the students of Geology in collaboration with Geospatial Research and Education Foundation (GREd) on 16th and 17th August, 2023.

In this context, you are requested to kindly permit for the same on the above-mentioned dates.

This is for your kind perusal and necessary action please.

Thanking You,

Yours sincerely,

Dr. Chandraditya Gogoi

Permission letter from the Principal, Gargaon College

Brief report of the program

The online workshop started with an inaugural note by Dr. Sabyasachi Mahanta, renowned academician and Principal of Gargaon College. Dr. Mahanta welcomed all the participants highlighted the increasing importance of GIS in job markets or various industries and organizations seeking GIS professionals.

Dr. Dipankar Buragohain, Assistant Professor, Department of Geology, Gargaon College moderated these two-day online sessions. Mr. Joydeep Ghosh from GREd Foundation has delivered the two-day lecture series. Mr. Ghosh, in the first lecture, briefly described about the GIS technology, its importance in different fields like mapping, water resources, defense practices as well as the career opportunities for students in various private industries and Government/PSU organizations.

The second day, he has taught the students how to make Geological map using the different tools of GIS software, how to interpret and calculate the data from any given map. In the end of the session, he has highlighted the motive of their GREd Foundation. The session ended with an interaction with the students.
