ICT CLASS REPORT 2019-20

Name of the Teacher: Dr. Kabita Phukon

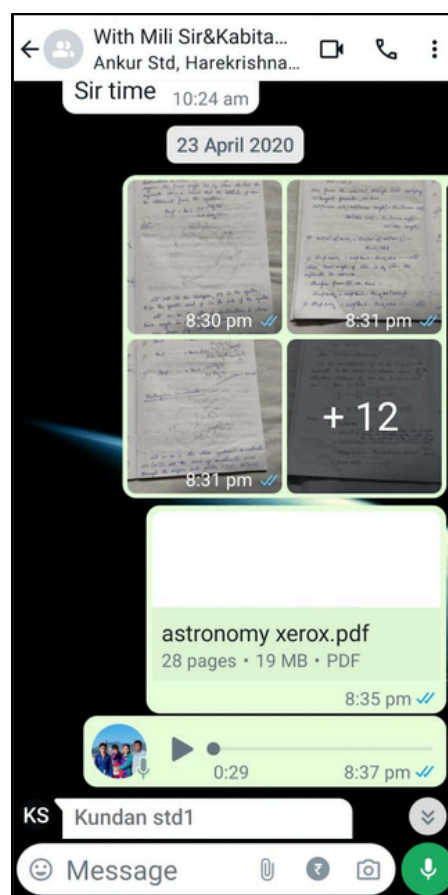

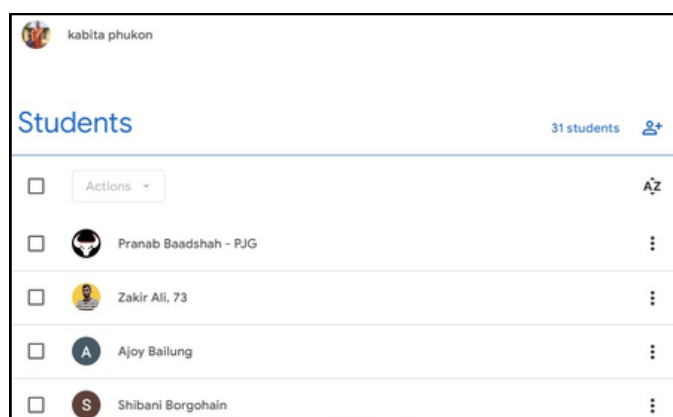

Designation: Assistant Professor

Department: Mathematics

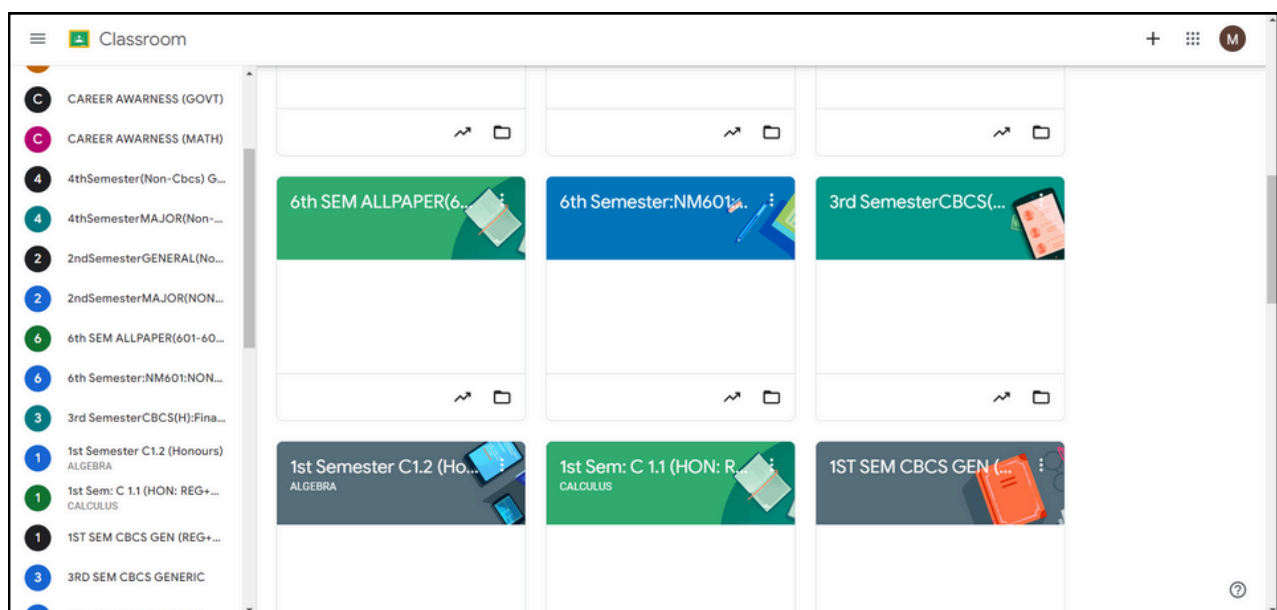

About ICT

Information and Communications Technology (ICT) revolutionizes education by enhancing learning experiences with interactive tools, providing vast access to information, and improving communication among students, teachers, and parents. It enables personalized learning, supports collaboration through platforms like Google Classroom, and increases efficiency by automating administrative tasks. ICT also offers global exposure through virtual field trips and expert interactions. Overall, ICT makes education more engaging, accessible, and efficient, preparing students for a connected, digital future.

About ICT

Information and Communications Technology (ICT) transforms education by enriching learning with interactive tools, granting extensive access to information, and enhancing communication among students, teachers, and parents. It facilitates personalized learning, fosters collaboration through platforms like Google Classroom, and boosts efficiency by automating administrative tasks. Additionally, ICT provides global exposure via virtual field trips and expert interactions. In essence, ICT makes education more engaging, accessible, and efficient, equipping students for a connected, digital world.

The screenshot shows the Google Classroom interface for a class titled "6th Semester:NM601:NON-CBCS". The interface is divided into several sections:

- Left Sidebar:** A list of classes with colored circular icons. The selected class, "6th Semester:NM601:NON-CBCS", is highlighted with a blue bar.
- Top Navigation:** Includes a hamburger menu, the class name "Classroom > 6th Semester:NM601:NON-CBCS", and a user profile icon (M).
- Stream:** The main content area with tabs for "Stream", "Classwork", "People", and "Grades".
 - Class Code:** Displays "vooj44j" with a QR code icon.
 - Announcement:** A section for the teacher to announce something to the class.
 - Upcoming:** A section showing "No work due soon" with a "View all" link.
 - Classwork:** A section showing a PDF titled "Math general 6th sem Nik..." uploaded by "Nikhil Sagar Dihingia" on "Aug 23, 2021".
 - Comments:** A section for adding class comments.
 - Assignments:** A section showing a new assignment posted by "MathGargaon" on "Aug 23, 2021".
