National Statistics Day at Gargaon College

CORRESPONDENT

DERGAON, July 2: The 14th National Statistics Day was celebrated under the aegis of the Department of Statistics, Gargaon College on June 29. This year's theme was 'Sustainable Goals: Good health and Well-being and Gender Equality'.

On the occasion, a webinar on 'Statistics and Data Analysis' was organised at the college premises. Dr Ranjana Gogoi, head of the Department of Statistics of the college, explained the significance of the day.

Inaugurating the webinar, college principal Sahyasachi Mahanta expressed gratitude to the Statistics Department for organising such an important webinar. He welcomed

the resource persons, including Head of Statistics Department of Dibrugarh University, Prof Jiten Hazarika, associate professor Dr Manash Pratim Barman and the participants.

Hazarika explained the aspects of statistics and its present-day use in almost all the branches of education and commercial fields. He urged all to use statistics properly. Dr Manash Pratim Barman spoke on 'Data Analysis', and highlighted the practical steps of statistical software SPSS.

Assistant professor Bornali Dutta said that 400 participants, including faculty members, research scholars and students of statistics, mathematics and economics took part in the webinar through Zoom and YouTube.

Statistical survey completed in adopted village of Gargaon College

A CORRESPONDENT

NAZIRA, June 8: A statistical survey was conducted by the Department of Statistics of Gargaon College in its adopted model village - Longkak Gohain Gaon - near Sunpura here on Tuesday. The survey was done in collaboration with the Parents-Teachers' Association of the Department of Statistics.

Students surveyed 82 households of the village and collected data on the benefits gained by them from various government schemes

as well as from self-help groups and micro-finance institutions. During the survey, the students gathered information about the various socio-economic issues of the villagers.

The survey team, led by Dr Ranjana Gogoi, Head of the Department of Statistics, Gargaon College, also visited Longkak Gohain Gaon Primary School and distributed learning material and light refreshment packets among the students there. Bornali Dutta, Assistant Professor of Statistics, taught mathematics to the students of fifth grade.

Gargaon College conducts Volunteer Teaching Programme

OUR CORRESPONDENT

SIVASAGAR, July 3: With an aim to render support to schools and underprivileged students in the sphere of education and make education more inclusive, the IQAC of Gargaon College has undertaken a project titled 'Tiyajitika'.

As part of this project, the Department of Statistics Gargaon College organised a Volunteer Teaching Programme on June 29. Under this mission, several students of the Department of Statistics visited government primary and MBL schools in their native villages. Anandmayi Borthakur, a student of B.Sc. Stat. Sarani Hamei visited Lakshmi Pathan MBL School and imparted lessons on arithmetic to 6th and 7th standard students in topics such as concept of number lines, natural numbers, whole numbers, integers, positive and negative numbers etc.

Pankaj Gogoi visited Boudhaham MBV School where he taught the concept of lines and their types to the 6th and 7th standard students. Mordang Gogoi visited Dimaiguri Gargan LP School and he discussed the topic of basic introduction to numbers, types of numbers, ideas about multiplication, addition and conversion of rupees and paise to 3rd and 4th grade students. Sushila Thapa visited Anand Jyoti LP School and taught arithmetic fractions to the 5th grade students. The programme was coordinated by Dr Bornali Dutta, Assistant Professor of the Department of Statistics, Gargaon College.

The department of Mathematics of Gargaon College, in collaboration with

IQAC of the college under Garganjan project, has conducted a Volunteer Teaching Programme at Light Pathan High School, Nazira from June 23 to June 30 where students from 3rd and 4th semester taught Mathematics from Class VI to Class X students and interacted with the students. The purpose of the programme was to promote community engagement and social responsibility among the students as well as to popularise Mathematics and create awareness on Mathematical Olympiad among the school students.

The students of the Mathematics department under the guidance of Dr Kabita Phukan, Head of the department, Bhaskarabari, MBV and Sujata Gogoi, Assistant Professors paid a visit to Light Pathan High School with the objective of teaching and serving the community. Pankaj Gogoi, Bishnu Saikia, Raju Ghoshwar, Lata Phome, Raj Kumar, Divya Baruah and Arjun Barman imparted lessons to students VIII, IX and X. Dr Sahyasachi Mahanta, Principal of Gargaon College, lauded the efforts of the faculty members and students of Mathematics for undertaking the volunteer teaching programme and urged about the various activities that the Mathematics Department of Gargaon College has been conducting in collaboration with the schools.

Dr Kabita Phukan emphasised the objectives of undertaking the volunteer teaching programme and urged about the various activities that the Mathematics Department of Gargaon College has been conducting in collaboration with the schools.

Gargaon College, DU ink MoU

OUR CORRESPONDENT

SIVASAGAR, Aug 6: As part of its endeavour to facilitate advancement of knowledge through academic co-operation, the Department of Statistics, Gargaon College entered into a Memorandum of Understanding (MoU) with the Department of Statistics, Dibrugarh University (DU) on August 3.

The objective of this MoU is to foster academic collaboration and exchange of educational resources between the two institutions in areas of mutual interest. The MoU was signed by Dr Manash Pratim Barman, Head of the department of Statistics, Dibrugarh University, and

Dr Sahyasachi Mahanta, eminent academician and Principal, Gargaon College. Dr Ranjana Gogoi, Head of the department of Statistics, Gargaon College, Dr Bornali Dutta, Assistant Professor of Statistics, Biman Ch Baruah, President of Governing Body, Gargaon College as well as the founder professor of Statistics and Dr Surajit Saikia, coordinator of IQAC of the college were also present on the occasion.

As a part of the MoU, a motivational lecture was organized by the Department of Statistics, Gargaon College in collaboration with the Department of Statistics, Dibrugarh University on the same day. On this

occasion, Prof Sarat Ch Kakoty of the Department of Statistics, Dibrugarh University delivered a motivational lecture on National Education Policy, 2020. In his address, Prof Kakoty highlighted the importance of NEP and its future scope. Dr Manash Pratim Barman, Head of the department of Statistics, Dibrugarh University, in his talk spoke of the importance of the subject Statistics and its prospects for students.

The programme attended by the faculty members and students of the department of Statistics, concluded with the vote of thanks delivered by Dr Ranjana Gogoi, Head of the department of Statistics.

Book donation programme held

OUR CORRESPONDENT

SIVASAGAR, Nov 15: Continuing with its effort of imparting quality education and furthering the education of the underprivileged, Gargaon College organised a book donation programme on Wednesday. On this occasion, Dr Ranjana Gogoi, former head of the department of Statistics of Gargaon College donated a prized collection of books along with an almshouse for storing the books.

Extending sincere gratitude to Dr Ranjana Gogoi for her benevolence, eminent academician, columnist and Principal of Gargaon College, Dr Sahyasachi Mahanta spoke of the importance of book bank for supporting and furthering the education of economically backward students. He further spoke on the initiative of book donation undertaken during his tenure, under which several former faculty members, eminent academicians and litterateurs have made contribution of valuable books to the college library. He also appreciated the efforts of Dr Pankaj Kumar Nath, Librarian of the college towards the maintenance and upgrade of the college library.

Dr Ranjana Gogoi, in her address, described the collection of books donated by her as a repository of books from diverse disciplines ranging from encyclopedias, children's story books, books on basic science, journals, novels, among others, collected, read and preserved from time to time by her family. The children

books, she opined, shall be beneficial for children of the locality as well as that of the employees. She further expressed hope that the donated books shall be properly maintained by the staff of the library and utilized by the student fraternity for their benefit.

Dr Pankaj Kumar Nath, librarian of the college expressed gratitude to Dr Ranjana Gogoi for her generosity and expressed his hope that the books gifted by Dr Gogoi shall positively enhance the resourcefulness of the library. He further said that a children's section shall be soon opened in the library. The book donation programme moderated by Dr Pankaj Kumar Nath was attended by the teaching and non teaching staff of the college.

Book released at Gargaon College

OUR CORRESPONDENT

SIVASAGAR, July 11: In an academic meeting held at Gargaon College Golden Jubilee Hall, a book titled 'Exploring Conversations of Statistical Discourse', published by the Department of Statistics and jointly edited by Dr Ranjana Gogoi, Head of the Department of Statistics and Baroli Datta, Assistant Professor in Statistics was released by Dr Sabyasachi Mahanta, Prin-

cipal of the Gargaon College recently. The book is a compilation of more than twenty research papers contributed by eminent academicians, research scholars and students on relevant topics.

Releasing the book, Dr Sabyasachi Mahanta, noted educationist and Principal of Gargaon College appreciated the initiative taken by the department for the publication of the book and for the continuity of

the intellectual practice in the college. Dr Mahanta also conveyed his gratitude to the paper contributors for their scholarly contributions that made the volume successful.

Bipoy Mohan, Former Professor of Statistics Department, Jyotsagar College, who graced the occasion also praised the noble efforts of the department in publishing such a research based book on Statistical Discourse.

Gargaon College Joins Hands to Celebrate National Girl Child Day

Khairuddin Ahmed, Sibsagar, Jan 25: National Girl Child Day was observed on 24th January, 2023 at the premises of Gargaon College by the Department of Statistics and Women Cell, Gargaon College Teacher's Unit in association with IQAC, Gargaon College and 11 Assam Girls (I) Coy NCC, Gargaon College. Dr Ranjana Gogoi, head and Associate Professor of the department of Statistics while putting across the objectives and significance of the program explained how National Girl Child Day was first initiated in 2008 by the Ministry of Women and Child Development to draw attention to the inequalities faced by the girl child and to create awareness regarding her rights including the importance of education, health, and nutrition. Significantly, the date also marks the day in 1966 that Late Indira Gandhi took over as the first woman Prime Minister of India.

Dr. Sabyasachi Mahanta, Principal of Gargaon College and noted academician, in an insightful and thought-provoking address delineated the bleak social scenario where girls continue to face prejudice, inequality and abuse despite two decades of the twenty first century having elapsed and the breakthroughs made in science and other fields. Citing real examples of society's discrimination against the girl child such as foeticide, child marriage etc, he explained how it is imperative for
