Talk on Indian Knowledge System held

OUR CORRESPONDENT

SIVASAGAR, March 30: Gargaon College organized an invited talk on Indian Knowledge System under the aegis of the Department of Botany and Department of Zoology recently. The main objective of the programme was to provide insights about Indian Knowledge System to

students and to generate awareness regarding its importance.

The programme was inaugurated by renowned academician and Principal of Gargaon College, Dr Sabyasachi Mahanta. In his speech, Dr Mahanta spoke about Indian Astrology and Vedic Science. He opined that Indian astrology is one of the oldest systems of

knowledge in the entire world. He further spoke about the necessity of including IKS as a critical element into curriculum at all levels of education. Resource person Dr Raktim Patar, Associate Professor, Centre for Historical Studies, School of Social Sciences, JNU highlighted the importance of yoga, meditation and ayurveda

in our daily life. He explained about traditional food practices of different tribes with special emphasis on North-East India.

The programme was moderated by Sandeepa Agarwalla, Assistant Professor, Department of Botany and attended by the faculty members and students of different Departments.

DEPARTMENT OF ZOOLOGY & SOCIOLOGY

AN INVITED TALK ON INDIAN KNOWLEDGE SYSTEM

Overview of the program

Type of Program: Departmental Seminar

Related to: Indian Knowledge System

Date: 21st March 2024

Organized by: Department of Zoology, Gargaon College in collaboration with Department of Sociology, Gargaon College

Resource person: Dr. Anurag Protim Das, Assistant Professor, Department of Zoology, Gargaon College

Related to: Indian Knowledge System

Number of Participants: 75

Objective of the Program: The objective was to provide participants, especially the students with the knowledge of IKS with special emphasis on Shrimad Bhagawad Gita.

Brief report of the program

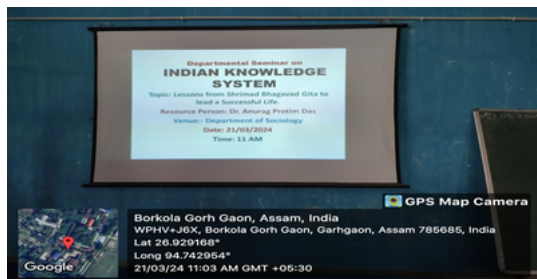

On March 21, 2024, the Department of Sociology, in collaboration with the Department of Zoology, organized a thought-provoking seminar titled "India Knowledge System," focusing on deriving "Lessons from Shrimad Bhagavad Gita to Lead a Successful Life." The seminar aimed to help people understand how the teachings of the Shrimad Bhagavad Gita can guide people to lead a successful life in today's world. The event commenced with an opening address by esteemed Head of the Department, Mina RobiDas, followed by Assistant Professor Mr. Mohananda Tamuli setting the stage for the enlightening discussions ahead. Dr. Anurag Protim Das, Resource Person, delivered an insightful lecture, delving into the teachings of the Shrimad Bhagavad Gita and elucidating how it paves the path to success in life. The seminar concluded with a vote of thanks by Miss Kashmiri Saikia, a faculty member of the Department.

Rationality

The program aided to provide participants, especially the students, with the knowledge of IKS with special emphasis on Shrimad Bhagawad Gita.
