TREE PLANTATION ON WORLD ENVIRONMENT DAY

(5TH JUNE, 2023)

**Department of Zoology
Gargaon College, Simaluguri**

Overview

World Environment Day is celebrated annually on 5th June and encourages awareness and action for the protection of the environment. The Gargaon College organized a mass “Tree plantation program” among the students on the 5th of June, 2023 on different premises irrespective of their location. The IQAC took the lead in organizing the program mainly. The mission of the plantation drive was the initiative on environmental education and awareness mission among the students, youths and as well as at the community level. The students from the Department of Zoology participated in the mass plantation program. Different plant species were planted at their respective premiseses. The main purpose of tree plantation is to engage the students and bring self-aware and importance about the importance of the environment. Additionally to protect and save the endangered environment and to beautify our lives. Trees are valuable gifts of nature. Students from different departments also participate the program which made it a huge success.
