geographygargaonclg21@gmail.com

The Alumni of the Department of Geography at Gargaon College have established themselves across diverse professional sectors, showcasing their skills and academic foundation in a wide range of fields. Many of them have secured prestigious positions as Assistant Professors in government colleges, contributing to the academic and research community. Others have made their mark in nationalized banks, taking up roles that require critical thinking and geographical knowledge in financial sectors. Additionally, several alumni are actively engaged with NGOs, working towards social and environmental causes, reflecting the department's emphasis on community development and sustainability. A significant number have joined the police and administrative departments of state governments, where their geographical expertise aids in planning, disaster management, and governance. Beyond public services, the alumni have also ventured into private entrepreneurship, demonstrating their ability to innovate and lead in business and industry. Their diverse placements highlight the department's commitment to producing graduates who are adaptable, skilled, and capable of contributing meaningfully to various sectors of society. This impressive range of career achievements underscores the value of a geography degree from Gargaon College and the multifaceted opportunities it offers to its graduates.
