FROM THE VICE-PRINCIPAL'S DESK

It gives me immense pleasure to know that Gargaon college is going to publish the annual newsletter 'Aalok'. Since several years in the journey of Gargaon college Aalok has been a panorama bearing all the achievements and accolades of the faculty of Gargaon college. Aside from being dedicated educators, the teachers of Gargaon college tirelessly put in effort into their own learning and research.

That way, they make sure they are even better equipped to impart education to the students. The intent of Aalok is to reflect all the efforts of the teachers in order to multiply what Gargaon college has to offer.

Most of the faculty members are researchers of their respective fields and the milestones of their research are published in Aalok. Aalok makes sure that all of these achievements get the recognition they deserve. Moreover Aalok also reflect the student's achievement in academic and in other extracurricular fields.

I wish Aalok all the success in exhibiting the glory of Gargaon college
