INDUCTION REPORT

2023-24

Department of Chemistry
Gargaon College

Overview

Name of the Program: Induction Report

Date: 01 August, 2023

Time: 9:30 A.M

Organized by: Department of Chemistry, Gargaon College

About the Program

The Induction Program for newly admitted students in the Department of Chemistry at Gargaon College is designed to welcome and orient students, ensuring a smooth transition into the academic community.

The program began with a warm welcome address by the Head (in-charge) of the Department, Dr. Arandao Narzary, who provided a brief history of the department, highlighted its achievements, and underscored the significance of chemistry in various fields. He also provided the students with an overview of the academic program, including detailed information about the FYUGP undergraduate course, format of marking in the internal assessments, and the do's and don'ts of the laboratory.

Eminent academician and Principal of the college, Dr. Sabyasachi Mahanta also made an impromptu visit to the program. He advised the students to follow the words of their teachers to make their transition into the college life easier.

The mission and vision statements of the department were then introduced, by Mr. Rituraj Tahu, Assistant Professor of the department emphasizing the commitment to excellence in teaching, research, and community service, as well as the aspiration that they share to be a leading chemistry department in the region.

The other Faculty members introduced themselves and their areas of expertise. A tour of the department's laboratories, library, and research facilities was conducted to familiarize students with the resources available to them.

Another faculty member of the department, Dr. Pakiza Begum, made the students aware of the mentor-mentee program in the department and Dr. Saheen Shehnaz Begum covered the code of conduct, that focuses on academic integrity. Dr. Plaban Jyoti Sarma discussed about the behavioral expectations, attendance policies, and dress code.

In all the talks, emphasis was placed on honesty in academic work, respect for faculty and peers, proper use of laboratory equipment, and active participation in departmental activities.

Students then introduced themselves one by one and in the Interactive session the students asked a few questions about the department, books to be followed, etc. This was done to encourage open communication and foster a sense of community among students.

The program concluded with closing remarks from the Head of the Department, who motivated students to take advantage of the opportunities available and adhere to the department's mission, vision, and code of conduct. The Induction Program at the Department of Chemistry, Gargaon College, has set a strong foundation for a successful academic journey by ensuring students are well-informed, motivated, and integrated into the departmental community.

Attendance of the Participants

1. Krishnali Arandhara
2. Durlove Saikia
3. Minhaj Hussain
4. Priyanshu Paul
5. Mausumi Saikia
6. Nilutpal Gogoi
7. Ashoraphul Alam
8. Vivek Singh
9. Rupam Bezbaruah
10. Jotishmoy Boruah
11. Sachitra Nayan Baruah
12. Sahidul Hussain
13. Eshan Abhoipuria
14. Lakhyadeep likson
15. Ankuron Gogoi
16. Biswajit Das
17. Bhaswat Protim Borgohain
18. Irfan Ali
19. Parthajit Boruah
20. Annekha Hazarika
21. Bastov Dutta
22. Kripal Borgohain
23. Kumarika Gogoi
24. Rishiraj Mohan
25. Pratap Roy Choudhury
26. Satabdi Handique
27. Gitashri Dutta
28. Hrishikesh Chetia
29. Dikshit Borgohain
30. Abhigyan Mohan
31. Sankar Chutia
32. Palki Dutta
33. Dev Buragohain
34. Pompy Nath
35. Sahanur Hussain
36. Banjustsna Likson
37. Hrishiraj Phukon
