PEER TEACHING FOR SLOW LEARNERS

DEPARTMENT OF CHEMISTRY

SESSION: 2023-24

Overview of the Program

Name of the Programme: Peer teaching for slow learners

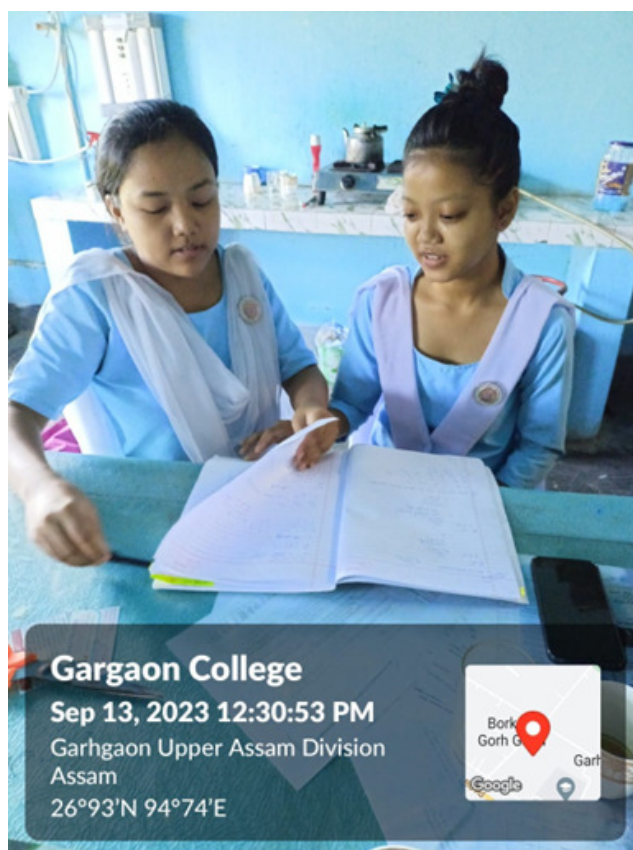

Session: 2023-24

Venue: Department of Chemistry

Brief report of the program

Department of Chemistry, Gargaon College conducted peer teaching methodology for slow learner to improve their learning processes. In peer teaching method, the students from the advanced learner category taught a particular topic to their classmates. This benefits the slow learners to properly grasp the topic from their classmate.
