Overview

One of the oldest and illustrious institutions of higher education in Assam, Gargaon College with a commitment to achieve excellence in higher learning has been working relentlessly for the development of the learner as well as the furtherance of social good. In this direction, the college provides access to dynamic teaching and learning methods.

ICT is one of the powerful tools that has helped the college facilitate interactive learning amongst the students and has helped the students grow while learning. The college has been applying both traditional as well as modern technology based methods in the process of teaching and learning.

- The college has smart classrooms with uninterrupted power supply. Besides, the college has ICT enabled classrooms which are regularly used by the faculty members for effective classroom teaching and learning.
- The teachers also use ICT enabled learning tools such as Google Classrooms, PPT, Video clippings, and resources and video demonstrations from online sources apart from providing reading materials through emails and other methods for an effective teaching-learning process.
- The College purchased Zoom Software to facilitate remote online learning.
- Further at the wake of Coronavirus disease (COVID-19) Lockdown, the college created its official YouTube channel named **“Special Lecture Series Gargaon College”** in June, 2020. Online Webinars, Workshops, etc. were live-streamed through this channel thereby contributing as an e-learning source for the students. The Channel was later renamed as **“Gargaon College Official”**.
- The college has its online portal **“Gargaon College E-Shiksha: An E-Learning Platform for the Students of Gargaon College”**, an initiative to provide quality e-learning materials based on the syllabi. This is an e-repository of study material to cater to the needs of the students.

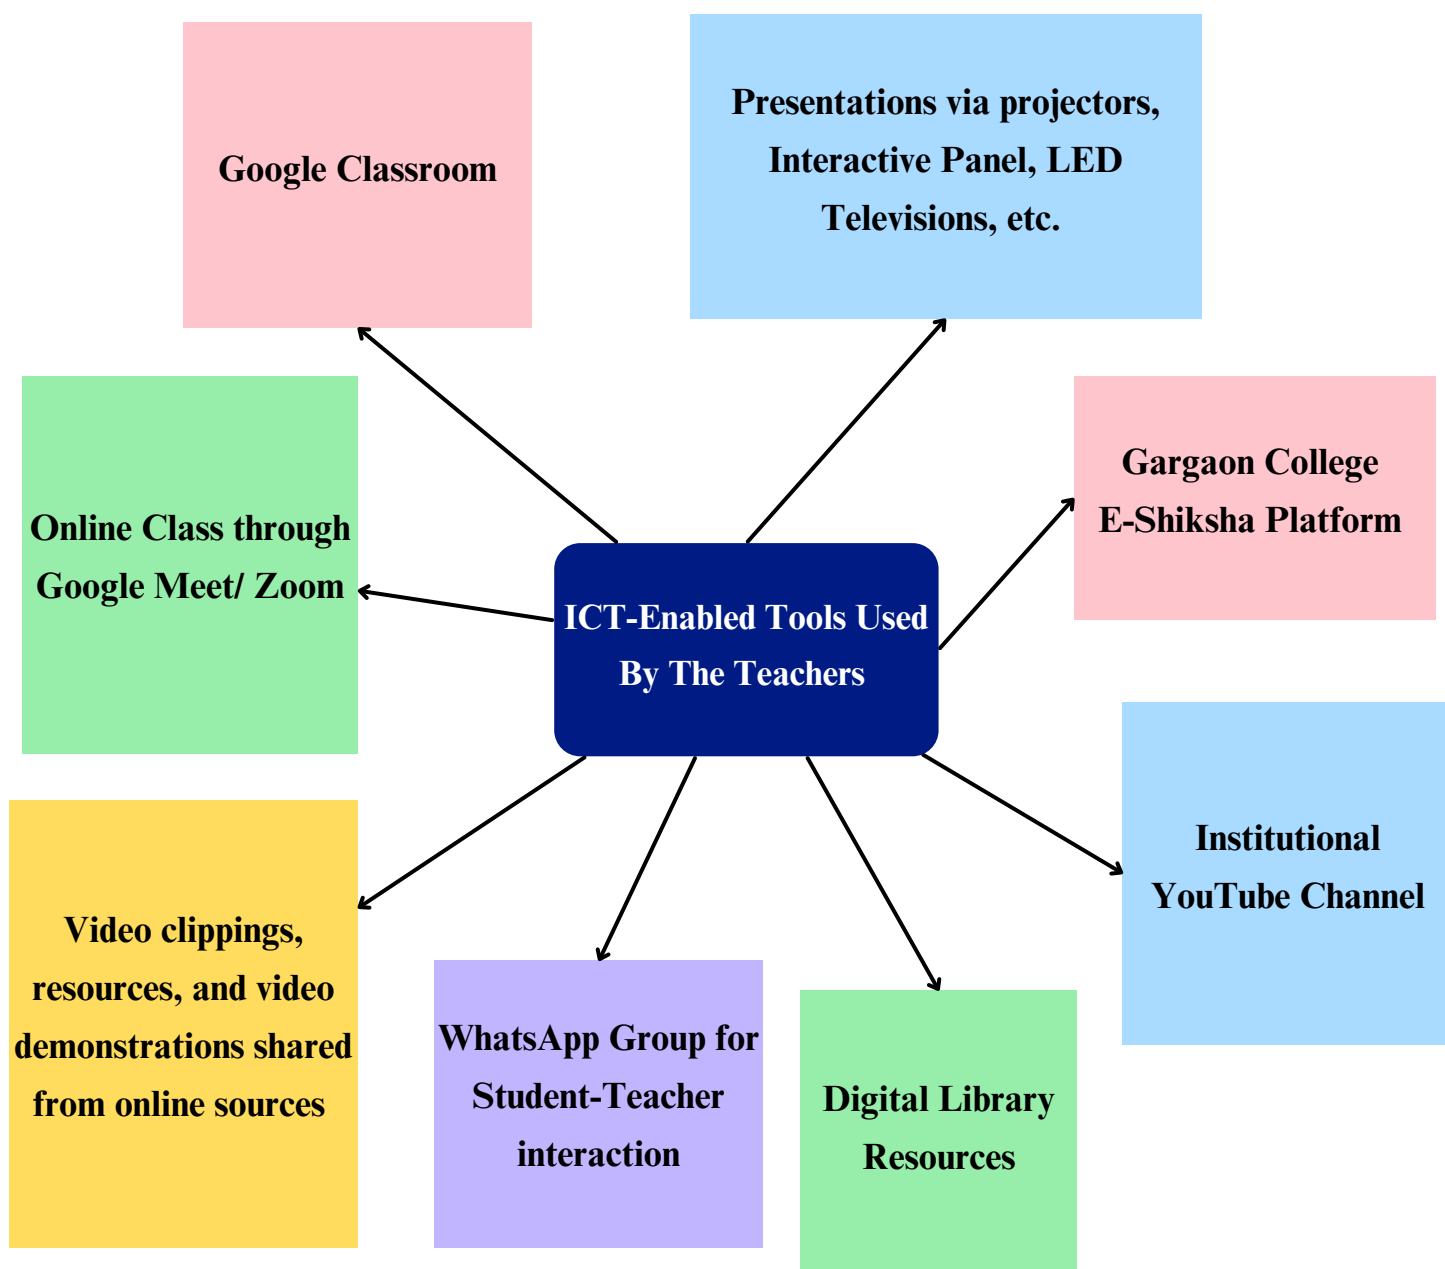

- During the lockdown period the faculty members continued the classes in **“Online Mode”**:
 - ➡ Online class were organized via google meet/Zoom.
 - ➡ Study materials were provided using Google Classrooms.
 - ➡ Assignments were collected using Google Classrooms.
 - ➡ Special online webinars, workshops, etc. were live-streamed through the YouTube channel.
- As the offline classes resumed post lockdown, **“Blended Mode”** of education became a part of the teaching learning.
 - ➡ ICT enabled classrooms which are regularly used by the faculty members for effective classroom teaching and learning.
 - ➡ Google Classrooms and WhatsApp Groups are kept active for providing the study materials, collection of assignments, for conducting MCQ tests etc.
 - ➡ Online lectures/programmes, Webinars, Workshops, etc. are live-streamed through the YouTube channel thereby contributing as an e-learning source for the students.
