Highpoints of the mentoring sessions

High points of the Mentoring session

Odd Semester, 2023

1. Mentors collect the profiles of the mentees and make them aware of their attendance, overall progress, and well-being.
2. As part of the mentoring, parent meetings were convened to have a rapport with the parents and to understand the family background of the mentees. Parents were made aware of the physical and mental stress of the mentees.
3. The mentees whose performance was above the average level of the program of the whole class were identified and they were motivated to join many workshops and seminars.
4. Mentees during the session were groomed to improve their soft skills. The mentees were motivated to participate in the various competitions organized by the college and by the colleges.
5. Mentees were excited to visit National Parks and other Wildlife Sanctuaries as a part of the syllabus.
6. After the declaration of end-semester examination results, the SGPA's of the mentees were recorded in their respective report cards.

Even Semester, 2024

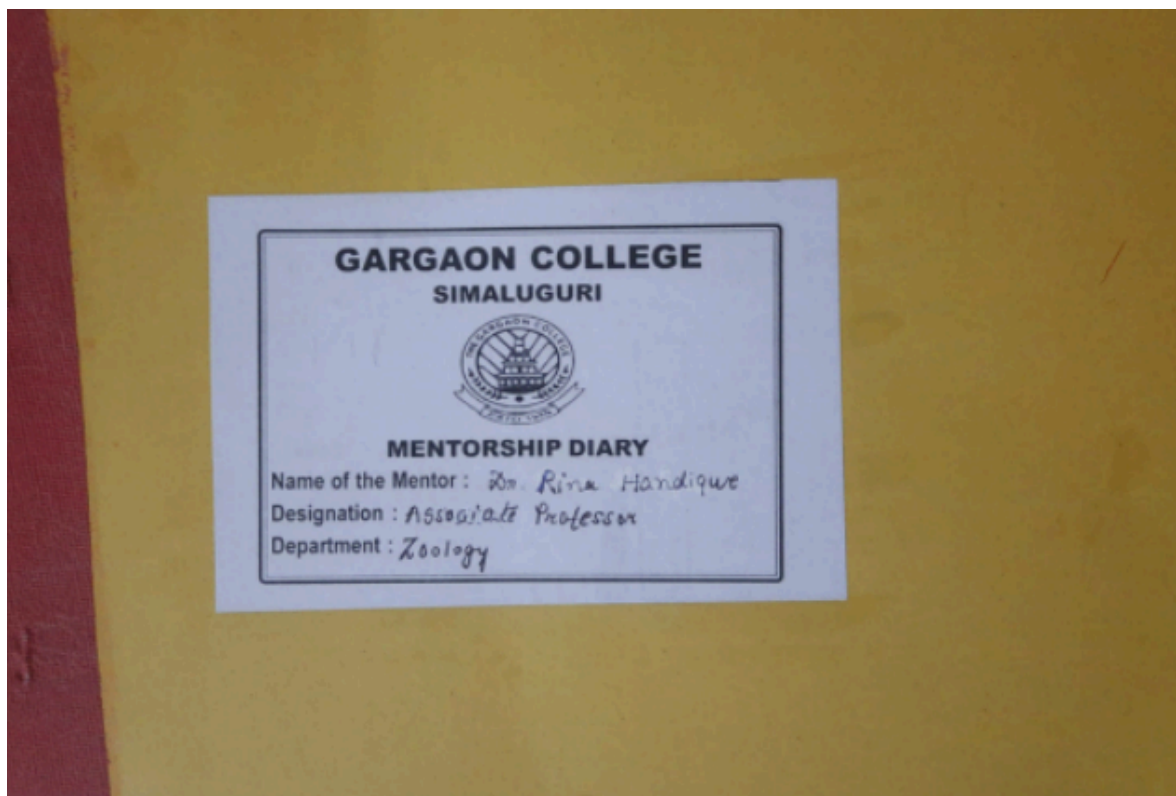

1. The mentees were initially asked to explain simple topics to measure their understanding and then about the areas where they felt difficulty in understanding the concept.
2. Necessary books were suggested for grasping the basic concepts and assistance was offered whenever needed. Mentees were advised to use the mobile phones precisely for academic purpose and give more time for studies in daytime.
3. Counselling was done to the mentees with irregular attendance in class and their feedback was taken
